Rebalance Tips

- If you request your rebalance by telephone, your questions can be immediately answered and your transaction can be processed on the same day, if received prior to 4:00 p.m. ET.
- Rebalance using ALL or a percentage of your Account unless you want very specific amounts to be rebalanced FROM or TO a particular Investment Option. Then you won't unintentionally leave a small balance in your original Investment Option(s).
- Consider the effect of this rebalance on your payroll deductions or automatic contribution plans (ACP), if any. You'll need to tell us, or submit the appropriate form, if you want to change those options in any way; otherwise they will continue in your previously designated Investment Option(s).
- Questions?** Visit www.kysaves.com or call toll-free 1-877-598-7878.

¹ A Signature Validation Program (SVP) Stamp generally may be obtained from a bank, savings and loan association, or a member of these recognized stock exchanges: Securities Transfer Agents Medallion Program (STAMP), Stock Exchanges Medallion Program (SEMP), and New York Stock Exchange Medallion Signature Program (MSP). You also may be able to obtain a Signature Guarantee Program Stamp from a credit union provided it is authorized to guarantee signatures.

3 Rebalance amount TO each Investment Option

Indicate the incoming rebalance amount in either dollars **OR** as a percentage of the **TOTAL** amount being transferred.

- If you indicate the amount in dollars, then the total amount below must equal the total amount in Section 2.
